The bulk of the 308 Division is still in the Tuyen Quang (105-14; 21-49) area filling its depleted ranks. However, in order to deceive the French, units of the 308 Division moved to the Thai Nguyen and Bac Giang areas. As further deception moves, the 36 Regiment, 308 Division, at times calls itself the 176 Regiment of the 316 Division, and prisoners from the 98 Regiment of the 316 Division are telling the French that they are troops from the 88 Regiment of the 308 Division.
